- Always up to date! Subscribe to a monthly e-mail on changes to the fact sheets
- Over 130 topics covered

AIDS InfoNet

E-MAIL: hivcc@nmia.com

WEBSITE: www.aidsinfonet.org

The AIDS InfoNet is a project of the
**New Mexico AIDS
Education and Training Center**

The AIDS InfoNet is supported by the National Library of Medicine and the Office of AIDS Research, National Institutes of Health, and several pharmaceutical companies including:

- Abbott Laboratories
- Boehringer Ingelheim
- Bristol-Myers Squibb
- Gilead Sciences
- GlaxoSmithKline
- Hoffman-LaRoche
- Pfizer Inc.
- Schering-Plough
- Serono
- Tibotec

“Using the fact sheets allows our nurses to spend more time with clients. Clients are better able to understand their treatments and we believe their adherence to medication is better because of the InfoNet materials.”

Trevor Hawkins, MD
Southwest CARE Center
Santa Fe, New Mexico

INFORMATION YOU CAN UNDERSTAND

In English and Spanish

Available free of charge
on the Internet at

www.aidsinfonet.org

To find treatment information, go to our web page at www.aidsinfonet.org

The screenshot shows the 'Index of Fact Sheet Topics' page on www.aidsinfonet.org. The page features a navigation menu on the left, a central list of topic categories, and a search and subscription section on the right. Annotations with arrows point to specific elements: 'Index of Fact Sheets' in the left menu, the language flags at the top right, the search box, the 'Adobe Acrobat PDF' and 'Microsoft Word' download links, and the 'Subscribe' button in the email update section.

Click on "Index of Fact Sheets" to find fact sheets

Find more HIV/AIDS websites (over 500 listed!) Click on "Internet Bookmarks on AIDS"

In the Index, click on a category to see individual topics

To switch languages, click on the flags
